

**Supporting the education of Karan at centre Sshrishti Bal Shiksha, Sanjay Colony, Bhatti Mines, Delhi towards his Tuition fee, stationery items, mid day meal, extra-curricular activities and admin expenses.**

Karan is in KG class in Bal Shiksha Learning Centre, Bhatti Mines. He is very well behaved and a good student. He particularly likes drawing and the play activities. His family stays at B-28, Sanjay Colony, Bhatti Mines, South Delhi - 110074. In an underprivileged community like Bhatti Mines the daily struggle for subsistence is not easy. Karan's father Banaram depends on labour work and does not have a regular earning. Karan's mother Durga also has to find daily wage work to run the family as they have 2 more daughters as dependents.

In Bal Shiksha, Karan finds a stimulating educational and learning environment. Apart from Classroom, regular co-curricular and extra-curricular activities and Monthly PTM Karan is part of activities like Immunization and Health Check Up Camps, festival celebrations like Diwali, Christmas and New Year, Republic Day celebration, Annual Sports Day and Picnic etc.

In the recent 2<sup>nd</sup> Term Exam of the current academic year 2016-2017 Karan has done well obtaining 78.5% marks and with your encouragement and support he will be able to do even better.

Thank you for supporting the education and nutrition of underprivileged children
